ABOUT B&B

A family enterprise. *Looking ahead.*

Founded and led by Prakash Burman, B&B Enterprises has spent 20+ years building the structures Bangalore’s developers put their names on — high-rise towers, villa communities and residential homes.

CORE SERVICE I.

Mivan construction

Aluminium-formwork construction: walls and slabs cast together in a fast, repeating floor cycle with a true, smooth finish.

CORE SERVICE II.

Block construction

Block masonry by skilled, supervised crews — the dependable method for villas and low- to mid-rise homes.

FROM A BUILDER PARTNER SAMPLE TESTIMONIAL — NOT A REAL QUOTE

“The floor cycle never slipped once the formwork was on site. Their supervisors knew every pour before it happened.”
